

Greetings,

I hope that this communication finds you well and healthy.

As we approach the end of the year, there is not a more perfect time to reflect on the accomplishments that we have made as a community. This certainly includes our fundraising efforts for the Children's Crisis Center.

It is truly an exciting time as we are close to the completion of the crisis center's \$5.5 million campaign. Thanks to you, we are less than \$441,000 away from meeting this goal and are that much closer to constructing the much-needed center for our children.

Your contributions will positively impact the children of South Florida who are suffering from severe mental illness.

Although we have made great strides towards our goal, we are not yet at the finish line, and I ask for your continued support to get us there! There are many ways you can kick start the journey of healing for thousands of children.

You can join us today at the biggest fundraiser of the year in South Florida at **Give Miami Day**. By designating your donation to CHI and the Children's Crisis Center on this day, you help make CHI eligible for matching and bonus funds.

You can leave your mark on the Crisis Center by designing a **Brick of Hope**. This is a fun way to give back to our children and have your name permanently featured at the entrance of the center.

You can enjoy a wonderful day of golf at our upcoming **CHI Golf Tournament** to be held on April 3rd, 2023 at the beautiful Deering Bay Yacht and Country Club.

I am grateful for the opportunity to serve as Chairman of Community Health Foundation and with you we will lead this effort to bring change to the lives of vulnerable children.

A big thank you for your continued support!

Yours Truly,

Gustavo Hermida
